ABOUT ME

A quick learning, hard worker currently enrolled in the Computer Programmer course at Lambton College. Strong skills in customer service, sales, and computers.

EXPERIENCE

Fry Cook | Mary Browns | Sarnia, ON
September 2016 – December 2020

- Provided excellent customer service to patrons when taking their orders
- Operated and maintained restaurant-grade equipment, such as deep fryers, potato cutters, and pressure cookers

Landscaper | Green Lawn & Home Services | Sarnia, ON
November 2014 – April 2017

- Operated lawn mowers, trimmers, and herbicides in a safe, yet effective manner
- Removed and spread ice melting salt along walkways in a timely manner

PC Repair Technician | Staples | Sarnia, ON
August 2014 – November 2014 (Contract)

- Diagnosed and repaired hardware and software issues on customers desktops, laptops, tablets, and monitors
- Utilized the company database to open, update, and close customer tickets with information about their devices

Technical Support Agent | RentalTrax | Sarnia, ON
March 2014 – July 2014 (Contract)

- Utilized email, telephone, and remote desktop software in order to troubleshoot problems and teach customers how to use the RentalTrax software
- Created video tutorials and PDF manuals about various features of the RentalTrax program

PC Repair Technician | Wired Nation | Sarnia, ON
February 2012 – March 2014

- Gave customers detailed, personalized and polite service to ensure their satisfaction.
- Troubleshooted and carefully repaired customers computers and took notes to ensure the customer understood what we did to their computer
